This credit was for notes which had been retired on Feb. 28th, 1894, and which had not actual value.

June 20th

This credit was partly for profit on the Sait Lake & Hot Springs Sanitarium Co. stock. The Bank of Sait Lake apparently purchased 60 shares of this stock on that date for 86,500, being \$500.00 above par value, and Jas. H. Bacon takes credit for difference. The balance was for note given by L. Haberman.

The records do not indicate why the entries should have been made.

November 23rd Deposit slip has no notation. The only apparent connection being that "Legal Tenders" increased in a corresponding amount on same date.

November 28th Deposit slip offers no explanation of this. On that date worthless notes (which had been retired on Feb. 28, 1894) equaling this amount were discounted by the Bank of Salt Lake.

November 29th This credit was another valueleza note, which had been retired on Feb. 28th, 1894.

This credit was another valueleza note, which had been retired on Feb. 28th, 1894.

The deposit slip reads "B-D" but the bills discount register does not show that such a note was discounted by the bank on that date.

May 13th The records are obscure on this point. Portlon of credit was for cashier's check, and no evidence can be found proving that Jas. H. Bacon was entitled to any Item forming toe total amount.

July 3rd This reddit was for note signed "Salt Lake Sanitarium association. August 28th Deposit slip reads "R. E." On that date Real Estate was debited with same amount, with no description, or any record to indicate possession of this real estate by the Bank of Salt Lake.

Herd of Salt Lake Elks Starts for Milwaukee.

The Elks leave for Milwaukee this morning. They will leave also a streak of purple extending from the Rio Grande Western depot to the union depot at the Wisconsin town, and thence, perchance, to the industrial plants that made Milwaukee famous—who knows?

They will go in a special Pullman, from which streamers will stream bearing the legend, "Salt Lake Lodge S5. B. P. O. E." It is possible that the streamers will come back with them, accompanied by the scalps of those other fellows who, so history will say, went after the next session of the grand lodge and made heroic efforts to get into the "also ran" class.

It is not possible to give a complete list of those who are going this morning, as all had not signed their tickets up to the time of going to press. It is expected that there will be about twenty-five in the herd, and following are a few of them: Æxalted Ruler Lester Freed, exalted ruler's brother, Claude Freed, Secretary A. W. Raybold, Past Exalted Ruler Joe Enzensperger, A. F. Gus Lyons, Tom Homer, M. Davidson, E. R. Ramsey, Charley Pike, A. G. Horne, J. H. Larsen, Charles Higson, Chris Diehl the younger, L. F. Harr, Brother Morgan, Brother Richmond and Lee Ranshond.

Between now and Sunday there will be scattering delegates along the road between this city and Milwaukee, who will join the big herd when they reach the jumping off place. The delegation goes by way of the Rio Grande and Burlington, and will make stops at Denver and Uttumwa, Ia.
